A Nervous Breakdown

A Nervous Breakdown

Kansas City, Kans.:—"Dr. Pierce's Favorite Prescription brought me through a very critical period for which I shall always be very grateful and I am glad to tell of it that other suffering women may take my advice and try the Prescription. I had a severe nervous break-down, caused by woman's trouble. Doctors called it inflammation. I doctored for about five years with very little help, I saw Dr. Pierce's medicine advertised and was so discouraged that I was ready to do anything for relief. I at once got both the 'Favorite Prescription' and the 'Golden Medical Discovery.' I think I took about a dosen bottlee but it was surely worth it as it restored me to good health, curing me of all my allments."

—MRS. LUCY FOREMAN, 814 8. Packard St.

Remarkable Case of a Kansas Woman

Atchison, Kana:—"About twenty years ago I first commenced taking Dr. Pierce's Favorite Prescription for displacement and other feminine weakness. The first half dozen dozes gave me great relief, and by the time I finished the first bottle I felt stronger than for a long while. Since then I have taken this medicine whenever I have felt run-down, weak or nervous and it has always given me the desired relief. I am very glad to recommend "Favorite Prescription" as a woman's real friend."—MRS. IDA TICKNER, 1118 N. 1048 St.
